

I need you to share doing chores with me.

I need to have some of our friends
over for dinner

I need you to be more affectionate
with me and touch me more

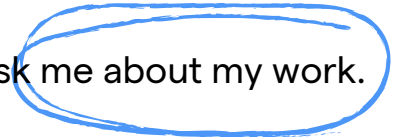

I need you to ask me more or
talk with me more often.

I need you to ask me about my
hopes & aspirations.

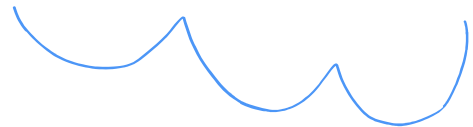

I need you to ask me about my work.

I need us to spend our weekends
doing activities as a family.

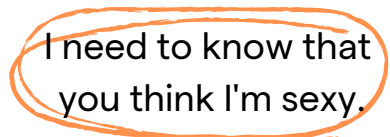

I need to travel or plan an adventure.

I need to spend some time
with my friends.

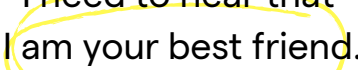

I need to know that
you think I'm sexy.

I need you to know that
you feel proud of me.

I need to hear that
I am your best friend.

I need to feel respected by you.

I need to go to some
live music or concerts together.

I need to have some
more fun in our lives.

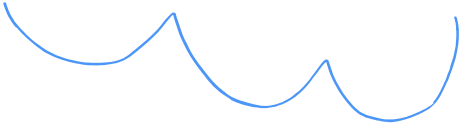

I need to have a weekly date with you.

I need you to see that
I am a competent parent.

I need to feel like I can spend money
& treat myself or our family.

I need us to have a savings plan.

I need to cuddle more.

I need you to be on my side.

I need to talk with you.

I need to get dressed up &
go out with you.

I need to feel close &
connected with you.

When I first come home,
I need some quiet time alone.

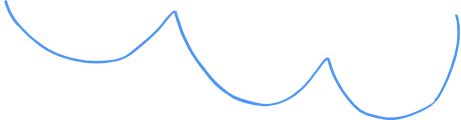

I need less stress in my life.

I need you to do [household chore]
so I can get a little rest.

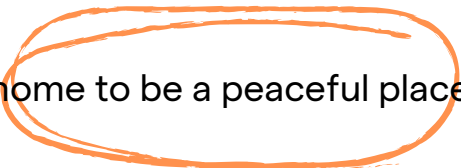

I need us to have a better
work/ life balance.

I need to take some time alone.

I need our home to be a peaceful place.

I need u to make
more time for sex & romance.

I need a kiss goodnight every night.

I need a romantic getaway.

I need a massage.
